Eligible companies/individuals must be:

- Directly employed in the building and construction industry in Western Australia
- Directly employed by residential and/or commercial construction companies undertaking relevant projects in Western Australia
- Self-employed and undertaking work which is directly involved in the construction process

If an individual is unemployed at the time of undertaking a short course recognised by the Training Fund, they must be able to:

- Demonstrate that they were directly employed in the construction industry in Western Australia for a minimum of six months, within 12 months prior to the date of course commencement; or if no recent work experience is involved have written evidence of a relevant employment offer from an eligible company or contractor in the construction industry prior to making a claim

Your Consumer Rights

Prospective learners have rights as consumers, and Australian Consumer Law provides protection for consumers who purchase services. Your rights as a consumer can be found at this location:

[The Australian Consumer Law | Consumer Law](#) or [Home - Consumer Protection - DEMIRS](#)

Cooling Off Period.

By law, you have 10 business days to reconsider an unsolicited consumer agreement (contract). During this time, you can cancel the contract without penalty. This is called the 'cooling off' period.

An agreement is considered to be unsolicited when:

- A supplier/salesperson approaches or telephones a consumer without that consumer having invited this contact.
- Negotiations take place over the phone, or in person at a location other than the supplier's premises.
- The total value of the agreement is more than \$100, or the value was not ascertainable at the time the agreement was made.

Further information regarding cooling off periods can be obtained from the Department of Commerce, [Consumer Protection](#).

RTO or Third Party Closing or Ceasing to Deliver Training.

In addition to the rights provided by Australian Consumer Law (as above) it is requirement of our regulating body (Training Accreditation Council) that should Kelyn Training Services; or any organisation delivering training on our behalf, close or cease to deliver training in which a learner is enrolled, that Kelyn Training Services must make arrangements to transfer to another suitable RTO (or other RTOs) all existing learners who will NOT complete their training before we cease operating or the agreed services have not been met.

Should this situation occur Kelyn Training Services will formally notify each existing learner of the arrangements made and obtain their agreement to those arrangements, including any refund of fees available.

Insurance and Ambulance Cover

Kelyn Training Services maintains uninterrupted Public Liability and Professional Indemnity Insurance for its level of operations. Students are responsible for their own medical and ambulance expenses, however if in your opinion Kelyn Training Services is negligent for the injury then a claim can be lodged through insurance. Employed students attending training as part of their employment are covered under their organisations Workers Compensation Policy.

In the event a student requires emergency medical treatment, Kelyn Training Services has a duty of care to call an ambulance. Therefore, we recommend students obtain Health and Ambulance Insurance.

Modes of Delivery

A delivery mode describes the way training will be delivered to support and enable learning. Broadly speaking, Kelyn Training Services uses two different delivery modes:

- face-to-face and blended learning

Assessment

Assessment or competency-based assessment is, “The process of gathering and judging evidence in order to decide whether a person has achieved a standard or objective.” (<http://www.voced.edu.au/content/glossary-term-assessment>)

Individuals are required to undertake assessments to demonstrate competency in units of competency. Encouragement and support will be provided throughout the assessment process. Any concerns or issues with undertaking assessments, should be discussed with the trainer so that additional support can be provided if required.

- Assessments are conducted according to the guidelines and standards outlined in the Training Package, adhering to the principles of assessment and rules of evidence.
- Competence is to be demonstrated over the full range of performance criteria to industry standards.
- Consistency of outcomes over a period of time will form the basis of assessment.
- Assessments will be carried out by qualified assessors.
- Clients will be provided with a number of opportunities to demonstrate competency for each unit, including the opportunity to re-assessed if required.
- Kelyn Training Services supports reasonable adjustment of assessments and will work with clients to maximise opportunities for successful completion of assessment requirements.

There are several outcomes an assessor can arrive at following their judgement:

Competent [C]: Competent shows that sufficient evidence has been gathered to demonstrate achievement of the standard or objective.

Individuals judged as competent are issued with a Statement of Attainment, both A4 (electronic) and wallet sized MRWA accreditation card. (See [Certification Documents](#))

Not Yet Competent [NYC]: Not yet competent shows that insufficient evidence has been gathered to demonstrate achievement of the standard or objective.

At the completion of a course or following assessment, if a learner is deemed not yet competent, after every effort has been made to achieve the required competency, Kelyn Training Services offers further training at a later date. This is discussed at the completion of the course and dates and costs, if necessary, are discussed.

Recognition of Prior Learning [RPL]: Competency is achieved through the Recognition of Prior Learning process. (See [Recognition of Prior Learning](#))

National Recognition/Credit Transfer [CT]: Recognition of a competent assessment judgement by another Registered Training Organisation. (See [National Recognition](#)).

Some courses delivered by Kelyn Training Services; or delivered by our third-party providers may also have licencing outcomes; such as high risk work licences, and may have additional assessment requirements as determined by the licencing authority i.e., Worksafe WA. These will be discussed during the course and prior to assessment.

Complaints and Appeals Policy

Complaints arise when a client is not satisfied with an aspect of our services and requests action to be taken to resolve the matter. Kelyn Training Services will manage and respond to allegations involving the conduct of:

- our trainers, assessors or other staff;
- a third party providing services on our behalf, its trainers, assessors or other staff; or
- a learner
- other services

Appeals arise when a client is not satisfied with a decision that we have made. For example, an assessment appeal.

We encourage students to engage with staff about any of their concerns in trying to reduce any minor issues and prevent them from becoming larger.

Any complaint or appeal must be considered in a transparent, objective and unbiased manner. The process incorporates the principles of natural justice and procedural fairness. KELYN TRAINING SERVICES will make this policy publicly available on their website (Form) and in our foyer. Any complaints and appeals received will be reviewed by management and used for Quality Assurance purposes.

Any person wishing to make a complaint or an appeal against KELYN TRAINING SERVICES concerning its conduct as an RTO, whether a complaint, appeal or other matter, shall have access to the complaints/appeal procedure. All formal complaints will be heard and decided within 14 working days of the receipt of the written complaint.

The Director shall ensure that KELYN TRAINING SERVICES will act immediately on any substantiated complaint. If the internal or any external complaint handling or appeal process results in a decision that supports the student, KELYN TRAINING SERVICES will immediately implement any decision and/or corrective and preventative action that is required and advise the student of the outcome.

KELYN TRAINING SERVICES has a 'Complaints and Appeals Register' to record and hold all complaints and appeals and their resolution. Complaints will be reviewed as part of the Quality Assurance procedure.

Appealing a Decision

All students have the right to appeal decisions made by KELYN TRAINING SERVICES where reasonable grounds can be established. It must be lodged within 7 days of result notification. The areas in which a student may appeal a decision may include:

- Assessments conducted
- Deferral, suspension, or cancellation decisions made in relation to the student's enrolment
- Or any other conclusion / decision that is made after a complaint has been dealt with by the RTO in the first instance.

The Director shall then determine the validity of the appeal and organise a meeting with all parties involved in the matter and attempt to seek resolution where appropriate.

Time lines

KELYN TRAINING SERVICES will manage all complaints and appeals fairly, equitably and efficiently as soon as practicable.

KELYN TRAINING SERVICES will inform the complainant or appellant in writing if the resolution takes more than 60 days, including reasons why more than 60 days are required, and regularly updates the complainant or appellant on the progress of the matter.

Informal/Verbal Solution

All complainants should seek to resolve the issue with the person directly involved through an information discussion with the person concerned.

Unsettled Complaint or Appeal

If the issue is not satisfactorily settled through the above process, KELYN TRAINING SERVICES will plan for an independent third party to review the appeal or complaint. The independent third-party may be another RTO. Should there be any costs to be incurred in this process the complainant will be advised.

Confidentiality of records

All complaints and appeals are recorded. Records and their outcomes are securely maintained. All complaints and appeals are documented in writing using the 'Complaints and Appeals Form' and recorded on the 'Complaints and Appeals Register'.

Confidentiality of the individual is maintained and where requested anonymity preserved. Should anonymity be requested complainants/appellants are informed where this may limit the extent to which their complaint/appeal can be investigated.

Independent person

KELYN TRAINING SERVICES will provide an independent qualified assessor or Manager who will:

- Provide the complainant with the Complaints/Appeals form and instruct the details to be completed.
- Acknowledge the receipt of the returned form in writing (via email is acceptable)
- Allow the process for each side to tell their story
- Ensure the outcome of the finalised complaint/appeal is recorded in writing and sent to the complainant.

Monitoring and continuous improvements

Follow-up actions may include:

Ask for feedback from the client to determine whether they were satisfied with the way the complaint or appeal was handled

Change the practice that led to the complaint/appeal and at a later date review the improvement to see that it is working

Review records of complaints and appeals to see whether there are specific issues (or staff or services) that are being targeted, and whether the complaints and appeals are being resolved in a timely matter.

Complaint or Appeal Procedure

Should a student have a complaint or appeal, the following steps are to be followed:

1. Student should discuss the issue / complaint with the person involved to try and resolve it verbally.
2. If no resolution is reached, the complainant/appellant has three options. A) and preferred option is to complete the Complaints and Appeals Form (available from the website or Administration). B) send an email to the Director. C) lodge a complaint over the telephone with the Director or Manager. The following information is recorded.
 - description of the complaint or appeal
 - state whether they wish to formally present their case
 - steps taken to deal with the complaint or appeal
 - what they would like to happen to fix the problem and prevent it from happening again
3. If the complaint or appeal is not dealt with to the student's satisfaction, she/he may appeal the decision. The Director will either deal with the issue personally or arrange for it to be dealt with by a management representative. This process will commence within 48 hours from the time the Director receives written notification from the student about their dissatisfaction to the response received from earlier efforts. A response / resolution will be presented within 30 days.
4. The student may appeal against the decision/resolution by submitting the form if he/she agrees/disagrees with the decision.
5. Should the issue still not be resolved to the student's satisfaction, RTO will plan for an independent third party to resolve the issue and outline any costs that may be involved with this to the student. The student will be given the opportunity to formally present his or her case. The time frame for this process may vary but should take no longer than 14 days.
6. All parties involved will receive a written statement of the outcomes, including reasons for the decision within the 14-day period. If the process is taking longer than 60 days from the complaint or appeal being received the student will be notified in writing of the reason for the delay and kept informed about all progress.
7. If the student is still not happy with external mediation, he/she may take his/her complaint to the VET Regulator.
8. All documentation relating to complaints or appeals will be archived for audit purposes.

Cancellations or Postponements

Should KELYN TRAINING SERVICES, for any reason, cancel a course on which a client is enrolled or the agreed services have not been provided; the client will be entitled to:

- A full refund for the amount they have already paid for that course, or
- Transfer their enrolment to another (identical) course offered by KELYN TRAINING SERVICES

KELYN TRAINING SERVICES will not compensate clients for time, travel expenses or accommodation expenses incurred.

Cessation of RTO registration

If KELYN TRAINING SERVICES ceases operations, then steps will be taken to ensure that all continuing students either complete their training or are placed with another RTO before the transfer or sale is completed. KELYN TRAINING SERVICES will meet all its legal obligations to students. KELYN TRAINING SERVICES will protect former and continuing students and student records. Any situation involving changes to the legal entity of an RTO, arrangements must be made for all current students to receive a copy of their student records, if not previously provided, including:

- a Certificate for each qualification completed,
- a Statement of Attainment for any units of competence completed in partial fulfilment of a qualification, and
- evidence of training and assessment activities undertaken that at the time of change in the RTO's legal entity were only in partial fulfilment of a unit of competence;
- providing the Regulator, in an agreed electronic and/or hard copy form, the following
 - information for each student who has undertaken nationally recognised training with the Registered Training Organisation since initial registration:
 - full name of student and date of birth,
 - name and national code of qualification(s) issued,
 - names and national codes of the units of competence and/or modules completed,
 - dates on which the requirements for each qualification were achieved or, for qualifications only partly achieved, the date each unit of competence and/or module was achieved;
- When a change of KELYN TRAINING SERVICES' control, management or operations results in the grant of RTO registration to a new legal entity, the new provider may seek to enrol students of the previous RTO entity. Students enrolled by the previous legal entity are not bound to accept enrolment with the new legal entity and may opt to transfer to other registered providers.
- The sale or transfer of KELYN TRAINING SERVICES business cannot 'transfer' the enrolment of individual students to the new entity. Individual students must consent to any transfer. Students enrolled by the previous legal entity, and who have paid for ongoing courses of study with that provider, are entitled to apply for a refund of tuition fees in accordance with the provider's refund policy and general consumer protection legislation.
